Harbor at West Greenville is conveniently located close to downtown and near the Pendleton Street Arts District in the West Greenville Neighborhood, and will assure long term affordability for low and moderate income families in our community. Harbor at West Greenville is currently undergoing comprehensive renovation of 57 row houses. The substantial renovation is part of a \$23 million dollar bond deal that will provide spacious and modern apartments in a secure environment.

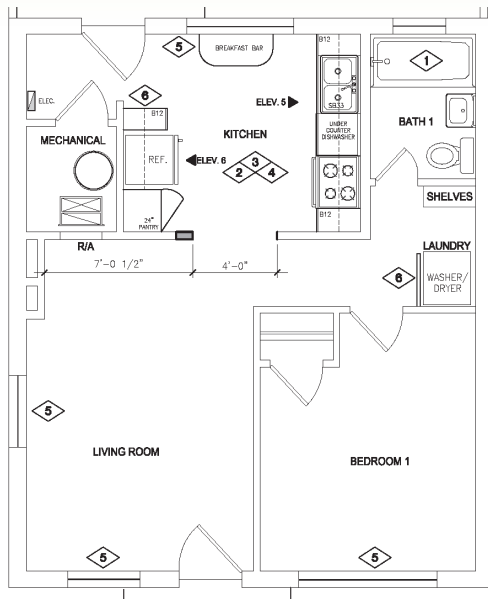

TGHA is extremely grateful to all our private and public partners that have made this development possible including: Douglas, Schaumber and Tapestry Development; the West Greenville Neighborhood Association; the City of Greenville; the US Department of Housing and Urban Development; the South Carolina State Housing Finance and Development Authority; and Boston Financial Management.
