Re: Moving to Work Self-Sufficiency Program

Dear Participant Name:

The Greenville Housing Authority is proud to announce that we have been selected by the Department of Housing and Urban Development (HUD) to become a Moving to Work (MTW) agency. As an MTW agency, we will begin implementing a new Self Sufficiency (SS) Program, which will phase out the current Family Self Sufficiency (FSS) Program. TGHA is delighted to be assisting the families we serve in preparing to take (S.T.E.P.S) Striving Towards Empowerment Progress & Self-Sufficiency. We have developed partnerships with local service providers and employers to create measures to provide opportunities for your family's success.

The Moving to Work program has financial incentives, employment training, home ownership guidance, and much more. Our MTW program will permit us to collaborate with our residents and voucher participants ages 18-61 to help define and achieve various goals.

The Greenville Housing Authority Moving to Work Team is excited to help you prepare to take those (S.T.E.P.S) Striving Towards Empowerment Progress & Self-Sufficiency. More announcements are coming soon!

Sincerely,

A handwritten signature in blue ink that reads "Beth Clark".
