INDEPENDENT AUDITORS' REPORT

Board of Commissioners The Housing Authority of the City of Greenville Greenville, South Carolina

Report on the Financial Statements

We have audited the accompanying financial statements of The Housing Authority of the City of Greenville, South Carolina as of and for the year ended December 31, 2017, and the related notes to the financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Authority as of December 31, 2017, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis on pages 7 through 14 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information any assurance.

Other Information

Our audit was performed for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. Supplementary data is presented for purposes of additional analysis and is not a required part of the basic financial statements. The accompanying Financial Data Schedule is presented for the Department of Housing and Urban Development's information and is not a required part of the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is not a required part of the basic financial statements.

The Financial Data Schedule, the Schedule of Expenditures of Federal Awards and other supplementary data are the responsibility of management and were derived from and relate directly to the underlying accounting data and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting data and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 10, 2018 on our consideration of the Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Commissioners The Housing Authority of the City of Greenville Greenville, South Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Authority, as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated September 10, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Authority's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be *material weaknesses* or *significant deficiencies*. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be *material* weaknesses. However, *material weakness* may exist that have not been identified

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Commissioners The Housing Authority of the City of Greenville Greenville, South Carolina

Report on Compliance for Each Major Federal Program

We have audited the Authority's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Authority's major federal programs for the year ended December 31, 2017. The Authority's major federal programs are identified in the Summary of Auditors' Results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for the Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the *Uniform Guidance* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal programs. However, our audit does not provide a legal determination of Authority's compliance.

Opinion on Each Major Program

In our opinion, the Authority complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2017.

Report on Internal Control Over Compliance

Management of the Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Authority's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal programs to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal programs and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance is a requirement of a federal program that is less severe than a material weakness in internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be *material weaknesses* or *significant deficiencies*. We did not identify any deficiencies in internal control over compliance that we consider to be *material weaknesses*. However, *material weaknesses* may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of our testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

THE HOUSING AUTHORITY OF THE CITY OF GREENVILLE GREENVILLE, SOUTH CAROLINA MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A) FOR THE YEAR ENDED DECEMBER 31, 2017

The Housing Authority of the City of Greenville's ("the Authority") Management's Discussion and Analysis is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the Authority's financial activity, (c) identify changes in the Authority's financial position (its ability to address the next and subsequent year challenges), and (d) identify individual program issues or concerns.

Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current year's activities, resulting changes and currently known facts, please read it in conjunction with the Authority's financial statements. This MD&A covers only the Authority's Enterprise Fund and does not analyze the financial position or current year's activity of the Discretely Presented Component Units. Separate audit reports have been issued on the financial statements of the Discretely Presented Component Units. The audited financial statements of the Discretely Presented Component Units have been included in the financial statements of the Authority.

FINANCIAL HIGHLIGHTS

- The Authority's net position increased \$1.4 million in 2017. Net Position was \$35.6 million and \$37 million for 2016 and 2017, respectively.
- Revenues decreased \$1.4 million during 2017, and were \$26.3 million and \$24.9 million for 2016 and 2017, respectively.
- The total expenses of all Authority programs decreased \$.3 million. Total expenses were \$23.8 million and \$23.5 million for 2016 and 2017, respectively.

Authority-Wide Financial Statements

Statement of Net Position

These Statements include a <u>Statement of Net Position</u>, which is similar to a Balance Sheet. The Statement of Net Position reports all financial and capital resources for the Authority. The statement is presented in the format in which assets and deferred outflows of resources, equal liabilities, deferred inflows of resources and "Net Position", formerly known as net assets. Assets and deferred outflows of resources, and liabilities and deferred inflows of resources are presented in order of liquidity.

The focus of the Statement of Net Position (the "<u>Unrestricted</u> Net Position") is designed to represent the net available liquid (non-capital) assets and deferred outflows of resources, net of liabilities and deferred inflows of resources, for the entire Authority. Net Position (formerly net assets) is reported in three broad categories:

<u>Net Investment in Capital Assets</u>: This component of Net Position consists of all Capital Assets, reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

<u>Restricted Net Position</u>: This component of Net Position consists of restricted assets, when constraints are placed on the asset by creditors (such as debt covenants), grantors, contributors, laws, regulations, etc.

<u>Unrestricted Net Position</u>: Consists of Net Position that does not meet the definition of "Net Investment in Capital Assets", or "Restricted Net Position".

Statement of Revenues, Expenses, and Changes in Net Position

The Authority-wide financial statements also include a <u>Statement of Revenues, Expenses and</u> <u>Changes in Net Position</u> (similar to an Income Statement). This Statement includes Operating Revenues, such as rental income and operating grants, Operating Expenses, such as administrative, utilities, maintenance, and depreciation, and Non-Operating Revenue and Expenses, such as capital grant revenue and investment income.

The focus of the Statement of Revenues, Expenses and Changes in Net Position is the "Change in Net Position", which is similar to Net Income or Loss.

Statement of Cash Flows

Finally, a <u>Statement of Cash Flows</u> is included, which discloses net cash provided by, or used for operating activities, non-capital financing activities, capital and related financing activities and investing activities.

The Authority's Main Programs

<u>Conventional Public Housing</u> – Under the Conventional Public Housing Program, the Authority rents units that it owns to low-income households. The Conventional Public Housing Program is operated under an Annual Contributions Contract (ACC) with HUD, and HUD provides Operating Subsidy and Capital Grant funding to enable the PHA to provide housing at a rent that is based upon 30% of household income. The Conventional Public Housing Program also includes the Capital Fund Program which is the primary funding source for physical and management improvements to the Authority's properties.

<u>Housing Choice Voucher Program</u> – Under the Housing Choice Voucher Program, the Authority administers contracts with independent landlords that own the property. The Authority subsidizes the family's rent through a Housing Assistance Payment made to the landlord. The program is administered under an Annual Contributions Contract (ACC) with HUD. HUD provides Annual Contributions Funding to enable the Authority to structure a lease that sets the participants' rent at 30% of household income.

<u>Other Programs and internal reporting sectors</u> – In addition to the significant programs above, the Authority also maintains the following programs:

- Business Activities and Central Office Cost Center (COCC)
- Resident Opportunity and Supportive Services Program
- Greenville Redevelopment Corporation (a Blended Component Unit)
- Other Blended Component Units include GAH Scattered Sites, LLC; GAH Arcadia Hills, LLC; and GAH Ridgeway, LLC

| Total Net Position | \$ 37,020,665 | \$ 35,595,872 | \$ 1,424,793 |

Major Factors Affecting the Condensed Statement of Net Position

During 2017, current and restricted assets decreased due mainly to a reduction of grant receivables and cash restricted for housing assistance payments. Capital assets decreased \$.9 million as a result of depreciation and dispositions exceeding asset additions. See Table 5 for a summary of the change in capital assets. Other assets increased due primarily to funds loaned to affiliates under promissory notes.

Current liabilities decreased due to a reduced amount of accounts payable liabilities to vendors and contractors, and a decrease of unearned revenues as a result of unexpended grant proceeds received as of the end of 2016.

Restricted net position increased due to additional funds held in repair and replacement reserves. An analysis of the change in unrestricted net position is displayed in Table 2 on the following page.

Table 2 presents details on the change in Unrestricted Net Position

TABLE 2

CHANGE OF UNRESTRICTED NET POSITION

| Unrestricted Net Position, December 31, 2016 | \$ 13,771,859 |

While the results of operations are a significant measure of the Authority's activities, the analysis of the changes in Unrestricted Net Position provides a clearer change in financial well-being.

| Excess Revenue Over Expense | \$ 1,424,793 | \$ | 2,535,450 | \$ | (1,110,657) |

Major Factors Affecting the Schedule of Revenue, Expenses and Changes in Net Position

Operating Grants increased in 2017 due largely to additional Capital Fund Program operating grant subsidies recognized to fund the conversion of former Public Housing Program properties to the Rental Assistance Demonstration (RAD) Program. Capital contributions decreased due to a significant reduction of modernization and improvement activity on the Public Housing dwelling properties. The 2016 gain on the disposition of capital assets was a result of the sale of a multi-family dwelling property. Property dispositions in 2017 were not as significant. Other revenue decreased during 2017 due primarily to a reduction of development revenues recognized in connection with the construction of mixed finance low income housing properties owned by affiliates in Greenville.

Administrative costs decreased moderately due to a reduction of consulting and other miscellaneous office expenses. Utility costs decreased due to reduced leasing of the Authority's owned-housing properties. External maintenance contract expenditures decreased, as leasing declined. General expenses increased due mainly to pre-development and other non-capitalizable costs incurred in connection with the 2017 RAD conversion. Housing assistance payments increased due to increased payment standards and fair market rental rates. Management analyzed all notes and interest receivable balances as of year-end 2017 for realizability and determined that a 2017 write-down is not necessary.

CAPITAL ASSETS

As of year-end, the Authority had \$20.7 million invested in a variety of capital assets as reflected in the following schedule, which represents a net decrease (additions, deductions and depreciation) of \$.9 million or 4% from the end of last year.

ECONOMIC FACTORS

Significant economic factors affecting the Authority are as follows:

- Federal funding provided by Congress to the Department of Housing and Urban Development
- Local labor supply and demand, which can affect salary and wage rates
- Local inflationary, recessionary and employment trends, which can affect resident incomes and therefore the amount of rental income
- Inflationary pressure on supplies and other costs

THE HOUSING AUTHORITY OF THE CITY OF GREENVILLE GREENVILLE, SOUTH CAROLINA

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Housing Authority have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Authority is a Special Purpose Government engaged only in business-type activities and therefore, presents only the financial statements required for the enterprise fund, in accordance with GASB Statement 34 paragraph 138 and GASB Statement 63. The financial statements of Valley Creek Associates, LP and 335 Greenacre Road, LP (the Partnerships) have been prepared in conformity with generally accepted accounting principles (GAAP).

The Authority has multiple programs which are accounted for in one enterprise fund, which is presented as the "Enterprise Fund" in the basic financial statements as follows:

<u>Enterprise Fund</u> – In accordance with the Enterprise Fund Method, activity is recorded using the accrual basis of accounting and the measurement focus is on the flow of economic resources. Under the accrual basis of accounting revenues are recorded when earned and expenses are recorded when are incurred. This required the Housing Authority to account for operations in a manner similar to private business or where the Board has decided that the determination of revenues earned, costs incurred, and/or net income is necessary for management accountability.

<u>Governmental Accounting Standards</u> – The Housing Authority has applied all applicable Governmental Accounting Standards Board pronouncements as well as applicable pronouncements issued by the Financial Accounting Standards Board.

The Partnerships have applied all applicable pronouncements issued by the Financial Accounting Standards Board.

Cash, Cash Equivalents and Investments

The Housing Authority considers cash on hand and cash in checking accounts to be cash equivalents. Cash on hand is not included in calculation of collateral required. Investments consist of money market accounts.

Accounts Receivable

Tenant accounts receivables are carried at the amount considered by management to be collectible. Other receivables consist primarily of amounts due from HUD, affiliates and other housing authorities, including \$97,103 due from West Greenville II, LLC (an affiliated limited liability company) for operating and pre-development advances.

Prepaid Items and Lease Costs

Prepaid Items consist of payments made to vendors for services that will benefit future periods. Prepaid ground lease costs consist of a one-time lease payment made of \$179,456 by Valley Creek Associates, LP in April of 2003, that will allow for the use of land for a period of 99 years.

NOTE A - SIGNIFICANT ACCOUNTING POLICIES- CONTINUED

Prepaid Items and Lease Costs - Continued

As of December 31, 2017, accumulated amortization was \$26,741, and \$1,813 of amortization expense was incurred during the year. \$1,813 of amortization expense is projected each of next 5 years, and for each year through maturity of the lease. Other amortizable assets of the Partnerships consist of tax credit application fees of \$32,794, net of accumulated amortization of \$22,980, of which \$2,180 was expensed during 2017.

Unearned Revenue

The Authority recognizes revenues as earned. Funds received before the Authority is eligible to apply them are recorded as a liability under Unearned Revenue. The Partnerships' unearned revenue balance includes \$119,023 of unexpended insurance proceeds to fund repairs by Valley Creek Associates, LP. Remaining unearned revenue balances consist of tenant prepaid rents.

Revenue Accounting Policies

Dwelling rent income, grants received for operations and other miscellaneous operating revenues are reported as operating income. HUD grants received for capital assets are reported as capital contributions. All other revenue is reported as non-operating revenue. These financial statements do not contain material inter-program revenues and expenses for internal activity. The policy is to eliminate any material inter-program revenues and expenses for these financial statements.

Capital Assets

Property and equipment are recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. The costs of maintenance and repairs are expensed, while significant renewals and betterments are capitalized. Small dollar value minor equipment items are expensed. Depreciation on assets has been expensed in the statement of income and expenses. Estimated useful lives are as follows:

| Buildings, Infrastructure and Improvements | 5 - 30 years |
|--|--------------|
| Furniture and equipment | 2 - 10 years |

Authority management has assessed the carrying values of capital asset balances as of December 31, 2017, and as of September 10, 2018. No significant capital asset value impairments exist as of the noted dates.

Indirect Costs Recovery

Direct costs are charged to the Authority's applicable programs. The Authority charges indirect costs to its Central Office Cost Center and charges the programs management fees based on fee rates provided by the Department of Housing and Urban Development.

NOTE B - REPORTING ENTITY DEFINITION

The Housing Authority is a separate non-profit corporation with a Board of Commissioners. The applicable jurisdictions appoint the Board of Commissioners. However, the Housing Authority has complete legislative and administrative authority and it recruits and employs personnel. The Authority adopts a budget that is approved by the Board of Commissioners. Subsidies for operations are received primarily from HUD. The Authority has substantial legal authority to control its affairs without local government approval; therefore, all operations of the Authority are a separate reporting entity as reflected in this report. The Authority is responsible for its debts and is entitled to surpluses.

In determining how to define the reporting entity, management has considered all potential component units. The decision to include a component unit in the reporting entity was made by applying the criteria set forth in Section 2100 and 2600 of the Codification of Governmental Accounting and Financial Reporting Standards, Statement No. 14 (amended), of the Governmental Accounting Standards Board: The Financial Reporting Entity, Statement No. 39: Determining Whether Certain Organizations are Component Units, and Statement No. 61: The Financial Reporting Entity: Omnibus. These criteria include manifestation of oversight responsibility including financial accountability, appointment of a voting majority, imposition of will, financial benefit to or burden on a primary organizations included in the reporting entity although the primary organization is not financially accountable. Based upon the application of these criteria, the reporting entity includes the following component units:

Greenville Redevelopment Corporation (**GRDC/the Corporation**, *a Blended Component Unit*) is a notfor-profit corporation, incorporated under the laws of the State of South Carolina for the purpose of facilitating residential development for the benefit of low-income persons in the Greenville community. The Directors of GRDC are the same individuals who serve on the Board of Commissioners for the Authority. Because the Corporation is controlled exclusively by the Authority, its financial balances and transactions are combined (blended) with those of the Authority for financial reporting purposes. This component unit's financial position and current year activity consists only of the balances and activity of each of its LLC's (described below) which are reported in the accompanying schedules in the 'Blended Component Unit' column. The entity's fiscal year end is December 31. Additional information concerning GRDC can be obtained by contacting the Authority at 122 Edinburg Court, Greenville, South Carolina 29607.

GRDC IV, LLC (**GRDC IV/the LLC**, *a Blended Component Unit*) is a limited liability company organized for the purpose of acquiring a general partnership interest in Valley Creek Associates, LP (see below). Subsequent to the general partnership acquisition of Valley Creek Associates, LP in 2016; the LLC acquired a general partnership interest in 335 Greenacre Road, LP during 2017. GRDC (see above) is the sole member of the LLC. Because the LLC is controlled exclusively by the Authority (through the Corporation), its financial balances and transactions are combined (blended) with those of the Authority for financial reporting purposes. This component unit's financial position and current year activity is reported with the Corporation's financial balances and activity in the accompanying schedules in the 'Blended Component Unit' column. The entity's fiscal year end is December 31. Additional information concerning the LLC can be obtained by contacting the Authority at 122 Edinburg Court, Greenville, South Carolina 29607.

NOTE B - REPORTING ENTITY DEFINITION - CONTINUED

GAH Scattered Sites, LLC (*a Blended Component Unit*) is a South Carolina limited liability company formed to own, modernize and operate the former Public Housing Program Scattered Sites dwelling properties under HUD's Rental Assistance Demonstration (RAD) Program. The Authority transferred ownership of certain Scattered Site properties to the LLC during 2017 prior to the RAD conversion contract date of September 1, 2017. GRDC (see above) is the sole member of the LLC. Because the LLC is controlled exclusively by the Authority (through the Corporation), its financial balances and transactions are combined (blended) with those of the Authority for financial reporting purposes. This component unit's financial position and current year activity is reported with the Corporation's financial balances and activity in the accompanying schedules in the 'Blended Component Unit' column. The entity's fiscal year end is December 31. Additional information concerning the LLC can be obtained by contacting the Authority at 122 Edinburg Court, Greenville, South Carolina 29607.

GAH Acadia Hills, LLC (*a Blended Component Unit*) is a South Carolina limited liability company formed to own, modernize and operate part of the former Public Housing Program Arcadia Hills dwelling project under HUD's Rental Assistance Demonstration (RAD) Program. The Authority transferred ownership of the property to the LLC during 2017 prior to the RAD conversion contract date of December 1, 2017. GRDC (see above) is the sole member of the LLC. Because the LLC is controlled exclusively by the Authority (through the Corporation), its financial balances and transactions are combined (blended) with those of the Authority for financial reporting purposes. This component unit's financial position and current year activity is reported with the Corporation's financial balances and activity in the accompanying schedules in the 'Blended Component Unit' column. The entity's fiscal year end is December 31. Additional information concerning the LLC can be obtained by contacting the Authority at 122 Edinburg Court, Greenville, South Carolina 29607.

GAH Ridgeway, LLC (*a Blended Component Unit*) is a South Carolina limited liability company formed to own, modernize and operate the former Public Housing Program Ridgeway dwelling project under HUD's Rental Assistance Demonstration (RAD) Program. The Authority transferred ownership of the property to the LLC during 2017 prior to the RAD conversion contract date of December 1, 2017. GRDC (see above) is the sole member of the LLC. Because the LLC is controlled exclusively by the Authority (through the Corporation), its financial balances and transactions are combined (blended) with those of the Authority for financial reporting purposes. This component unit's financial position and current year activity is reported with the Corporation's financial balances and activity in the accompanying schedules in the 'Blended Component Unit' column. The entity's fiscal year end is December 31. Additional information concerning the LLC can be obtained by contacting the Authority at 122 Edinburg Court, Greenville, South Carolina 29607.

Valley Creek Associates, LP (VCA. LP *a Discrete Component Unit)* is a limited partnership formed in 2001 to acquire, own and operate a 48-unit rental property in Greenville known as Arcadia Hills Apartments. The project was developed and operated under the low-income housing tax credit program. In October of 2016, the former general partner sold its general partnership interest to GRDC IV, LLC (see above). Due to its fiscal dependence on the Authority (through the Authority's blended component units), and the existence of a financial benefit or burden relationship, the Partnership's financial balances and transactions are reported discretely with those of the Authority. VCALP's fiscal year end is December 31 and a copy of the Partnership's financial statements for the year ended December 31, 2017 may can be obtained by contacting the Authority at 122 Edinburg Court, Greenville, South Carolina 29607.

NOTE B - REPORTING ENTITY DEFINITION - CONTINUED

335 Greenacre Road, LP (335 GR, LP *a Discrete Component Unit)* is a limited partnership formed to acquire, construct, own, finance and operate a 40-unit rental property in Greenville developed under the low-income housing tax credit program. In October of 2017, the former general partner sold its general partnership interest to GRDC IV, LLC (see above). Due to its fiscal dependence on the Authority (through the Authority's blended component units), and the existence of a financial benefit or burden relationship, the Partnership's financial balances and transaction, as of January 1, 2017, are reported discretely with those of the Authority. 335 GRLP's net position as of January 1, 2017 was \$2,029,115 and is reported as a Net Position Transfer-in, in the 'Partnership's fiscal year end is December 31 and a copy of the Partnership's financial statements for the year ended December 31, 2017 may can be obtained by contacting the Authority at 122 Edinburg Court, Greenville, South Carolina 29607.

In connection with the general partnership interest sale referred to above, the former general partner forgave accumulated partnership management fees of \$150,000. This debt forgiveness is reported in the 'Partnerships' column of the Statement of Revenues, Expenses and Changes in Net Position under Other Revenue.

The financial balances and activity for both of the discrete component units noted above, are reported in the 'Partnerships' column of the financial statements and are referenced in the notes to the financial statements under the 'Partnerships' heading.

There are no other component units.

NOTE C - CASH AND INVESTMENT DEPOSITS

Custodial Credit Risk – The Housing Authority policy is to limit credit risk by adherence to the list of HUD-permitted investments, which are backed by the full faith and credit of or a guarantee of principal and interest by the U.S. Government.

Interest Rate Risk – The Housing Authority's formal investment policy does not limit investment maturities as a means of managing its exposure to fair value losses arising from interest rate volatility.

The U.S. Department of HUD requires housing authorities to invest excess funds in obligations of the U.S., certificates of deposit or any other federally-insured investments.

The Authority's cash, cash equivalents and investments consisted of cash held in interest bearing checking and money market accounts totaling \$6,304,058.

As of December 31, 2017, deposits with financial institutions were secured as follows:

| | Deposits <u>in Bank</u> | | |
|---|----------------------------|-----------|--|
| Insured by FDIC | \$ | 873,987 | |
| Collateralized with specific securities in the Authority name which are held | | | |
| by the financial institution | | 5,168,796 | |
| Uncollateralized | | 134,258 | |
| | \$ | 6,177,041 | |

GAH Scattered Sites, LLC held \$61,765 of unsecured deposits as of year-end. And GAH Arcadia Hills, LLC held \$72,493 of unsecured deposits as of year-end.

All investments are carried at cost plus accrued interest, which approximates market. The Authority had no realized gains or losses on the sale of investments. The calculation of realized gains or losses is independent of a calculation of the net change in the fair value of investments.

The Partnerships

The Partnerships maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. It has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents. As of December 31, 2017, the Partnerships' deposit balances were secured as follows:

| | VCA, LP <u>Bank Deposits</u> | | 5 GR, LP <u>k Deposits</u> |
|------------------|---------------------------------|---------|-------------------------------|
| Insured by FDIC | \$ | 428,081 | \$ 225,899 |
| Uncollateralized | | 170,466 | - |
| | \$ | 598,547 | \$ 225,899 |

NOTE D - CONTRACTUAL COMMITMENTS

The Authority had Outstanding Contractual Commitments as of the Statement of Net Position Date as follows:

Type of Commitment:

Construction and Improvements \$ 373,151

NOTE E – <u>SIGNIFICANT ESTIMATES</u>

These financial statements are prepared in accordance with generally accepted accounting principles. The financial statements include some amounts that are based on management's best estimates and judgments. The most significant estimates relate to depreciation, useful lives, recoverable values of capital assets and notes receivable valuations. These estimates may be adjusted as more current information becomes available, and any adjustment could be significant.

NOTE F – <u>RISK MANAGEMENT</u>

The Housing Authority is exposed to various risks of losses related to torts; thefts of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Housing Authority carries commercial insurance for all risks of loss, including workman's compensation and employee health and accident insurance. The Housing Authority has not had any significant reductions in insurance coverage or any claims not reimbursed.

NOTE G – <u>CONCENTRATION OF RISK</u>

The Housing Authority receives most of its funding from HUD. These funds and grants are subject to modification by HUD depending on the availability of funding.

NOTE H - PENSION PLAN

The Authority provides pension benefits for all of its eligible full-time employees through a defined contribution plan, known as The Government Agency Retirement Plan. The plan is administered by Billings and Company, Incorporated. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. The Authority contributes 10% of the employees' base salary and employees do not contribute to the plan. Contributions and allocated investment earnings are fully vested after 5 years of continuous service. During 2017, the Authority made the required contributions in the amount of \$156,790, and there were no significant unpaid pension liabilities outstanding as of December 31, 2017.

NOTE I – NOTES AND INTEREST RECEIVABLE

The Authority has loaned funds to various entities to finance the development of low income housing projects. As of December 31, 2017, notes and interest receivable balances are summarized as follows:

NOTE I - NOTES AND INTEREST RECEIVABLE - CONTINUED

Interest on the limited partnership notes is compounded annually at 1% to 5.5%, on outstanding principal and accrued interest balances. The principal amount and any unpaid accrued interest is payable only from net available cash flows of the entities, as defined in the repayment agreements, with any outstanding principal and accrued interest due upon maturity. The notes and applicable interest are carried at the amount considered by management to be collectible and are secured by Security Agreements and Subordinate Leasehold Mortgages on the applicable projects.

The \$75,000 note receivable dated December 21, 2017 is not secured and was issued to fund an Initial Deposit Replacement Reserve (IDRR) for the limited partnerships RAD conversion. The note bears interest at 2% compounded annually and matures 'upon Disposition in accordance with the Partnership Agreement', which the borrower anticipates in December of 2022.

The \$213,721 pre-development loan dated May 18, 2017 with Integral Development, LLC was issued in the original amount of \$600,000 and bears interest at the 'lessor of the short-term AFR on the day of execution plus 3% (totaling 4.15% on May 18, 2017), or the maximum rate permitted by law'. The note matures 'upon the first disbursement of construction and/or permanent loan' which the borrower anticipates in December of 2019.

NOTE J – RELATED PARTY TRANSACTION – BOND ISSUE

In December of 2006, the Authority issued \$9,000,000 of Multi-Family Tax Exempt Bonds to finance a loan to Three Hundred Nichol Street, LP (the Borrower). The loan from the Authority to the Borrower was made to finance the acquisition and rehabilitation of an apartment complex in Greenville, South Carolina. The loan made by the Authority to the Borrower is secured by a first deed of trust in all the Borrower's property. The Authority's obligation under the bond issue is limited to payments received by the Authority from the Borrower, and the security pledged, from the Borrower. The principal balance of the loan owed by the Borrower to the Authority, and payable from the Authority on the bonds, was \$2,200,970 at December 31, 2017. Due to the Authority's limited obligation under the bond issue, management has elected not to account for the transaction as a liability because the Authority's assets are not at risk concerning the bonds. Accordingly, the Authority has not recognized the related note receivable due from the Partnership as an asset.

NOTE K - RESTRICTED CASH, INVESTMENTS AND NET POSITION

The Authority's restricted cash and investments consist of the following as of the end of the year:

| Held for Housing Assistance Payments | \$ 118,169 |
|---------------------------------------|-----------------|
| FSS Escrow Deposits | 145,764 |
| Replacement Reserves | 759,538 |
| Section 3 Reserve | 6,364 |
| Total Restricted Cash and Investments | \$ 1,029,835 |

Because there is no off-setting liability for cash restricted for housing assistance payments, replacement reserves or the Section 3 reserve, \$884,071 is reported as restricted net position in the Statement of Net Position.

The Partnerships

The Partnerships' restricted cash and net position consist of the following as of the end of the year:

| Operating reserve | \$ 140,951 |
|---|---------------|
| Replacement reserves | 276,957 |
| Cash held for real estate taxes and insurance | 61,372 |
| Total Restricted Cash | \$ 479,280 |

NOTE L – COMMITMENTS AND CONTINGENCIES

Amounts received or receivable from HUD are subject to audit and adjustment by grantor agencies. If expenses are disallowed as a result of these audits, the claims for reimbursement to the grantor agency would become a liability of the Authority. In the opinion of management, any such adjustments would not be significant.

NOTE M – <u>CAPITAL ASSETS</u>

NOTE Q – DIFFERENT REPORTING STANDARDS

The financial statements of the Partnerships (Discrete Component Units), condensed and presented below, were not prepared in accordance with Governmental Accounting Standards and were not audited in accordance with *Governmental Auditing Standards*. However, in these financial statements items have been presented in the same categories as the Housing Authority's Enterprise Fund.

If the financial statements of the Discrete Component Units were prepared in accordance with Governmental Accounting Standards, they would have adopted GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*. This Statement amends or supersedes the accounting and financial reporting guidance for certain items previously reported as assets or liabilities, including debt issuance costs. Under GASBS No. 65, debt issuance costs are to be reported as an expense as incurred, rather than capitalized and amortized over the life of the applicable debt. With financial statement preparation in accordance with Governmental Accounting Standards, including the adoption of GASBS No. 65, the Discrete Component Units' liabilities would have been \$17,470 more than (and net position less than) currently being reported in these financial statements.

| TOTAL FEDERAL EXPENDITURES | \$ 23,822,897 |

NOTE 1 – BASIS OF PRESENATION

The above Schedule of Expenditures of Federal Awards includes the federal award activity of the Authority under programs of the federal government for the year ended December 31, 2017. The information on this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Because the Schedule presents only a selected portion of operations of the Authority, it is not intended to and does not present the financial net position, changes in net position, or cash flows of the Authority.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowed or are limited as to reimbursement.

NOTE 3 – INDIRECT COST RATE

The Authority has elected not to use the 10% *De Minimus Indirect Cost Rate* allowed under the Uniform Guidance.
