# PUBLIC NOTICE

**THE HOUSING AUTHORITY OF THE CITY OF GREENVILLE, SC (TGHA)** is hereby requesting proposals for Project-Based Voucher Program.

TGHA will accept proposals for PBV assistance from owners that were competitively selected under another federal, state or local housing assistance program, including projects that were competitively awarded Low-Income Housing Tax Credits on an ongoing basis.

In addition to, or in place of advertising, TGHA may also directly contact specific owners that have already been selected for Federal, state, or local housing assistance based on a previously held competition, to inform them of available PBV assistance.

Proposals will be reviewed on a first-come first-served basis. TGHA will evaluate each proposal on its merits using the following factors:

Extent to which the project furthers TGHA goal of deconcentrating poverty and expanding housing and economic opportunities; and Extent to which the proposal complements other local activities such as the redevelopment of a public housing site under the HOPE VI program, the HOME program, CDBG activities, other development activities in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community.

TGHA will eliminate the selection process in the award of Project Based Vouchers to a property owned by a sole asset entity that is an affiliate of and controlled by TGHA. Such projects shall be subject to site selection requirements; subsidy layering approval; and HQS inspections performed by an independent entity.

Posted until rescinded.
