Room to Grow. Space to Gather. Designed for Life.

Life feels a little more balanced when home gives you space to recharge and room to grow. At The Sullivan Apartments, modern living and everyday convenience come together in a welcoming Greenville community designed for comfort. Mornings can start with coffee in your bright, open apartment before heading out for work, school, or a quick workout in the fitness center just steps away. Afternoons are made for relaxing by the resort-style pool, spending time at the playground, or simply enjoying the ease of coming home to thoughtfully designed spaces with high ceilings, wood-style flooring, and spacious layouts. With one-, two-, three-, and four-bedroom apartment homes available, The Sullivan offers the flexibility and features to support your lifestyle, all within a connected community you'll be proud to call home. **Income restrictions apply. Please reach out to the leasing team for details.**
